

Cerise Cocktail List

This cocktail list has been proudly compiled by the entire bar staff of Cerise and in so doing we have scoured the country, and indeed many parts of the world, for the most eclectic mix of spirits to bring you the most delicious cocktails. Not only have we chosen some classic cocktails but we have also devised our own taste sensations especially for Cerise, and for you to enjoy.

At Cerise Bar we make our drinks strong and full of flavour, so all our spirits and cocktails are served as 50ml measures (otherwise known as large). We do this so you get the full flavour of the drink, but if you would like a smaller measure please ask any member of staff.

A discretionary service charge of 12.5% will be added to your bill.
